

Competency- Based Certificate Course in Laboratory Animal Science: Program with a “Learning by Doing” approach

- **Handling**
- **Analgesia**
- **Anesthesia**
- **Animal behavior**

1ST-6TH DECEMBER

- **Microsurgery**
- **Microinjections**
- **Husbandry**
- **Exp.- design**

LABORATORY ANIMAL SCIENCE

CSIR-IGIB and Sun Pharma Collaboration

One Week Hands-on Experience in Laboratory Animal Science

Venue: CSIR–Institute of Genomics and Integrative Biology (CSIR-IGIB),
Mathura Road, Sukhdev Vihar, New Delhi-110025.

Organizer: Dr. Vijay Pal Singh
Principal Technical Officer
CSIR–Institute of Genomics and Integrative Biology
Delhi, India

Course Dates: 1st – 6th December 2025

Timings: 10:00 AM – 05:00 PM

Course Details (Hands-on Activities):

Participants will be trained in the following areas:

1. Animal behavior
2. Animal welfare
3. Handling
4. Analgesia
5. Anesthesia
6. Surgery
7. Microinjections
8. Microsurgery
9. Histopathology
10. Husbandry

11.Disease modeling

12.Experimental design

This is a **practical, hands-on training course** focused on essential aspects of laboratory animal science with emphasis on welfare, experimental design, and translational applications.

Eligibility: Postgraduate students, medical students (MBBS/MD), PhD scholars, lecturers, and scientists in Life Sciences, Biotechnology, Pharmacology, Biomedical and related disciplines.

Participants should have an interest in learning experimental animal handling and welfare.

Certification: Certificates will be issued to all participants on successful completion.

Seats available: Only for Indian origin candidates
