

SUN PHARMA
SCIENCE FOUNDATION

Sun Pharma Science Foundation Hands-on Training Workshop for

“Handling and Care of Laboratory Animals & Zebrafish”

Date : 1st to 6th December, 2025

Venue : CSIR-Institute of Genomics & Integrative Biology, New Delhi

Sun Pharma Science Foundation is organizing its 9th Hands-on Workshop with lectures on **“Laboratory Animal Science”**, in collaboration with IGIB, New Delhi. The objective of this workshop is to give the participants the basic knowledge and experience necessary and acquire practical skills in handling animals like mouse, rat and zebrafish during their experimental research in the biomedical space successfully. In addition, this course will foster a caring attitude toward animals and teach the appropriate and ethical treatment of animals. Our effort is to train future scientists in the field of Laboratory Animal Science to improve their understanding and practice of scientific methods and the implementation of animal welfare before their actual work with live animals.

This training course would include a wide variety of topics. The students will be grouped in batches for the training. Each batch will undergo training in the morning and afternoon sessions.
