

SUN PHARMA  
SCIENCE FOUNDATION

## Sun Pharma Science Foundation Hands-on Workshop on

**“Tools, Techniques & Translational Insights for Combatting Antimicrobial Resistance”**

**Date : September 10 – September 13, 2025**

**Venue : National Institute of Pharmaceutical Education and Research (NIPER), Mohali**

This year, the Foundation is organizing a Hands-on Workshop with lectures on ***“Tools, Techniques & Translational Insights for Combatting Antimicrobial Resistance”***, in collaboration with NIPER, Mohali. The objective of this workshop is to build capacity and enhance awareness among young researchers and students about the growing threat of antimicrobial resistance (AMR) and the urgent need for innovative diagnostic and therapeutic strategies. Participants will gain hands-on experience in antibacterial screening methods, resistance profiling, and approaches for AMR detection. The workshop will also provide translational insights into AMR mitigation, featuring lectures by leading experts from academia and industry. These sessions will empower participants with practical skills and a broader understanding of interdisciplinary solutions to combat AMR, strengthening their academic and research pursuits in the field.
