6. Submit age proof

After uploading the nomination on the website, it is required to send a set of print copy of the nomination along with all the uploaded information, to the office of Sun Pharma Science Foundation.

▲ Method of short listing

The shortlisting will be done based on predetermined criteria of equal weightage and the quality of the research work. There will be three assessors each in the Biomedical and Pharmaceutical Sciences, who will evaluate the nominations independently and the average score of each will be taken into consideration. The first five candidates will be short listed in each group.

▲ Assessment

The short listed applicants— five each from Biomedical and Pharmaceutical Sciences will be invited by the Foundation to present their research work to a group of knowledgeable assessors. The applicants should be prepared to answer the questions, which may arise after the presentations. Besides the assessors, the other audience may include students, researchers and academicians.

▲ Assessors

There will be at least three assessors each in Biomedical and Pharmaceutical Sciences. The assessment will be based purely on voting by the assessors. In case of tie, the Fellowship will be jointly shared between two applicants.

▲ Result

Decision of the committee of the assessors will be final and cannot be challenged. The results will be conveyed either at the end of the session or by post, separately.

- The selected candidates will be called as Sun Pharma Science Foundation Science Scholars. Fellowship money of **Rupees One Lakh** and a certificate to this effect will be presented during the Fellowship ceremony.
- The selected Science Scholars are also expected to attend an international conference and present a paper in the area of their expertise and submit a report to this effect to the Foundation.

- The Foundation will provide a lump sum grant of **Rupees One Lakh** to the Science Scholars to meet their expenses for attending one international conference to present abstracts/posters, upon submitting the invitation letter and expense statement with documental proof to the office of Sun Pharma Science Foundation.
- To and fro economy air fare including boarding and lodging expenses will be provided when invited by the Foundation to receive the Fellowship. They will also be invited to participate in the annual Symposium, Research Fellowships Presentation Ceremony and Conferences organized by the Foundation to meet and interact with the outstanding scientists and researchers present on these occasions.

▲ **Responsibilities of the Science Scholars**

- The Sun Pharma Science Foundation Science Scholars will have no claim of any sort with Sun Pharma Science Foundation or Sun Pharma group of companies.
- The Sun Pharma Science Foundation Science Scholars are expected to give a voluntary declaration that they would work in the public or private funded academic/research based organizations for a minimum period of two years after completion of their studies.
- The Science Scholars will keep the Foundation informed about their achievements from time to time.
